First Year Total	7 700.00	7 700.00	
Second Year Total	7 700.00	7 700.00	
<u>RESIDENTIAL COURSES</u>			
Residential programmes are, unless stated otherwise, divided into two registration periods per academic year. The balance after the minimum registration payment has to be settled within three months after registration. Students will not be allowed to register for the second academic period if any fees for the first period have not been settled and deposits for the second academic period have not been paid.			
The amounts reflected below may change should the student elect to not register for the full academic offering (as from the second year of degree study), take additional modules, or not be allowed to register for modules due to prerequisites or not adhere to the academic progression criteria.
