

HUGENOTE KOLLEGE COURSE FACT SHEET

Technical Vocational Education and Training (TVET)

Programme Title: Early Childhood Development

SAQA ID: 58761

Type of Programme: Fulltime

Duration: One Year

Course Description:

This course provides a solid grounding in the academic theory underpinning the main concepts of Early Childhood Development. The curriculum includes a significant practical component based on workplace placements.

Career Opportunities:

With this qualification, successful students could pursue a career in Early Childhood Development and be employable by any school/daycare centre accommodating children between 0 – 5 years. Consideration could also be given to opening a school/daycare centre as an entrepreneur!

Admission Requirements:

Grade 10 pass

Course Outline:

The course consist of residential theoretical training including time to complete assessments, research and self-study, and a compulsory workplace learning component that provides students with opportunities for professional and personal growth.

Course Modules include:

Module 1	A Quality environment (19 credits)
Module 2	The educational programme (44 credits)
Module 3	The family and community (15 credits)
Module 4	Professional skills (27 credits)
Module 5	Management (35 credits)

Learning Material:

All learning material (Study guides and Workbooks) is included in intuition fees.

Course Accredited by: Education, Training Practices and Development Seta
