

HUGENOTE KOLLEGE PROGRAMME FACT SHEET

Technical Vocational Education and Training (TVET)

Qualification: National Diploma in Early Childhood Development

Programme Description:

This programme provides a solid grounding in the academic theory underpinning the main concepts of Early Childhood Development. The purpose of the programme is to enable students to plan and implement age appropriate programmes for children from birth to age five. These learner programmes are aimed to assist facilitators and children in the Early Childhood Development facility. The curriculum includes a significant practical component based on workplace placements.

Career Opportunities:

With this qualification, successful students could pursue a career in Early Childhood Development and be employable by any school/daycare centre accommodating children between 0 to 5 years. Consideration could also be given to opening a school/daycare centre as an entrepreneur!
